

## Booth Challenge

Collect business cards or information flyers at every stall you visit - with at least 4 cards/flyers of different booths you can win a cookbook with recipes from international scientists of the University of Göttingen. Show the cards/flyers at the reception desk to get your prize.

## Booth Map

Explanation for the booth numbers on the inside of this flyer.

With thanks to the Göttingen Campus Postdoc Committee: James Daniel, Rituparna Chakrabarti, Vinodh Ilangoan, Deniz Kilincoglu, Marko Markovic, Louisa Kulke, Sarah Hoffman-Urlaub.  
If you are interested in joining the Committee, please speak to one of the members or one of the Coordinators, Melissa Sollich and Camille Couralet.

## 2<sup>ND</sup> POSTDOC SUPPORT & INFORMATION FAIR

Thursday 4 April 2019 | 15:00 – 17:00 | MPI for Solar System Research

Come and go as you please during the afternoon to share a coffee and dip in and out of the different stalls. Please join us for pizza and a glass of wine at 17:00.

- Find out about support across the Göttingen Campus and beyond
- Meet experts to enrich your time here and inform your next steps
- Interactive sessions and information exchange
- Get to know the University and Campus infrastructure
- Meet other Postdocs: discover and build your own support network
- Get answers to those questions you never dared ask before!  
Frequently Unasked Questions or Previously Unanswered Questions are welcome!

Can't get enough? Find more information and upcoming postdoc events at  
[www.goettingen-campus.de](http://www.goettingen-campus.de)

# Booth Overview

## Welcome to our World of Postdocs registration desk!

*Camille Couralet, Christin Siegert, Melissa Sollich, Christine Voss*

Sign in, pick up an information leaflet and put yourself on the GC World of Postdocs map

### 1. Göttingen Alumni Networks

*Anne Marie Bessette*  
Alumni, Networks and You!

### 2. March for Science

*Michael Berger, Marcus Boden*  
March for Science – what, when and how can you be involved?

### 3. Corporate Health Management

*Martin Kruessel*  
How can we remember to look after ourselves and take a moment to breathe?

### 4. Science Communication

*Romas Bielke*  
Press & PR, public understanding of science, communication

### 5. Lecturers without Borders (SciEd Network)

*Clara Zemp, Eduard Siahaan*  
Scientists using existing travel opportunities to give free outreach lectures in local educational institutions to inspire and motivate underprivileged students

### 6. Teaching and Learning (in Higher Education)

*Matthias Wiemer, Mike Bielib, Lisa Meißner, Angelika Thielsch, Susanne Wimmelmann, Sascha Kessler, Simone Gerlach*

How postdocs can develop and optimize their academic teaching qualifications

### 7. HR Development for academic staff and strategic early career support

*Katrin Wodzicki, Sandra Riethmueller, Melanie Grosse*  
Mentoring programmes, the academic tenure track, junior leader support
